**INDEPENDENT AUDITOR'S LIMITED REVIEW REPORT ON THE REVIEW OF QUARTERLY  
STANDALONE FINANCIAL RESULTS**

**TO THE BOARD OF DIRECTORS OF  
GRP Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of **GRP Limited** (the "Company") for the quarter ended June 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"), read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016 ("the Circular").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the quarter ended March 31, 2020 as reported in this Statement are the balancing figures between audited figures in respect of full previous financial year and the published year to date figures up to the end of third quarter of the previous financial year. The figures up to the end of third quarter of the previous financial year had only been reviewed and not subject to audit.
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement

**NOTES**

- 1 These results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India.
- 2 The above results are reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 11th August, 2020.
- 3 Based on the "management approach" as defined in Ind AS 108 – Operating Segments, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators of business segment/s in which the company operates, 'Reclaim Rubber' has been identified as reportable segment and smaller business segments not separately reportable have been grouped under the heading 'Others'.
- 4 The figures for the preceding quarter ended 31st March, 2020 as reported in these financial results, are the balancing figure between audited figures in respect of the full financial year ended 31st March, 2020 and published year-to-date unaudited figures upto the end of third quarter of that financial year.
- 5 On account of the Covid-19 pandemic, the Government of India had imposed a nation-wide lockdown on 24th March, 2020, leading to shut down of Company's manufacturing facilities and operations. Since April end, there has been state wise relaxation in lockdown. Accordingly the Company has resumed its manufacturing operations in a phased manner and is currently in the process of further scaling up its operations. Further, since the lockdown was in force for a significant part of Q1, the results of this quarter were adversely affected by the Covid-19 pandemic and may not be strictly comparable with those of other quarters. The Company will continue to closely monitor any material changes due to future economic conditions.
- 6 Figures for the previous period are regrouped/reclassified wherever necessary, to make them comparable.

## NOTES

- 1 These results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India.
- 2 The above results are reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 11th August, 2020.
- 3 Based on the "management approach" as defined in Ind AS 108 – Operating Segments, the Chief Operating Decision Maker (CODM) evaluates the Group's performance and allocates resources based on an analysis of various performance indicators of business segment/s in which the Group operates, 'Reclaim Rubber' has been identified as reportable segment and smaller business segments not separately reportable have been grouped under the heading 'Others'.
- 4 The figures for the preceding quarter ended 31st March, 2020 as reported in these financial results, are the balancing figure between audited figures in respect of the full financial year ended 31st March, 2020 and published year-to date unaudited figures upto the end of third quarter of that financial year.
- 5 On account of the Covid-19 pandemic, the Government of India had imposed a nation-wide lockdown on 24th March, 2020, leading to shut down of Group's manufacturing facilities and operations. Since April end, there has been state wise relaxation in lockdown. Accordingly the Group has resumed its manufacturing operations in a phased manner and is currently in the process of further scaling up its operations. Further, since the lockdown was in force for a significant part of Q1, the results of this quarter were adversely affected by the Covid-19 pandemic and may not be strictly comparable with those of other quarters. The Group will continue to closely monitor any material changes due to future economic conditions.
- 6 Figures for the previous period are regrouped/reclassified wherever necessary, to make them comparable.
